

BIRTH CONTROL CONSULTATION

\$40 APPOINTMENT FEE

**At Eden Drug,
specially trained pharmacists can now prescribe birth
control (the pill or the patch).**

When prescribing your pharmacist will consider your preference for the pill or the patch, cost preference, review your medical and medication history to determine eligibility.

**Make your appointment
online today!**

NOTE: This fee is NOT covered by insurance and does NOT include the cost of the medication. Medications can be billed through insurance. Some patients may require a referral to a primary care provider after consultation and the fee is non-refundable (Blood Pressure > 140/90 mmHg, Heart disease, have active cancer, etc).
